Headquartered in San Diego, CA, Vario is SoCal's leading meeting management and event production company, specializing in corporate meetings and events, general sessions, non-profit functions and social events. Vario manages close to 1,000 events per year throughout the United States, as well as internationally. The company offers a vast array of services including event management, full production, audio/visual, lighting design and entertainment. The newest offerings include virtual and augmented reality technology - VR & AR - specifically developed for the meetings and events industry.

TESTIMONIALS

We chose Vario because of their knowledge in the AV business along with their team's professionalism, attention to detail and quality of service. They became an extended part of our team and were instrumental in making our sales conference a huge success.

**Angel Atondo, Sr. Marketing Manager
Cavium, Inc.**

Thank you for ALL your help with our Light the Night event. Simply put, we couldn't have done it without you. We have had nothing but positive feedback about the new venue, the production value, and the event overall.

**Rachel Peniche, Board Chair
Leukemia and Lymphoma Society**

Thank you for taking your time and putting so much effort into our sites. You made what would have been an incredibly tedious and daunting task of viewing all those properties and collecting proposals so much faster, easier and actually FUN!

**Elizabeth Fox, Executive Director
Forte For Children Foundation**

The Vario team not only assists with AV needs but works with me on the planning aspect. I completely trust Vario to handle production with their amazing up to date knowledge, attention to detail and most importantly, integrity.

**Marty Covert, Principal
Covert Operations**
